

## Summer Programme 2012

The Berlitz Kids Summer Program is a fun and interactive 2-week thematic language course offered 3 times over a 6 week period (8 days, Tues-Fri). Starting dates are July 17, July 31 and August 14. Kids are welcome to enrol for 2, 4 or all 6 weeks.

Kids from 4 to 15 are grouped into classes, primarily according to age not proficiency. The lessons are taught in the target language and cater to fun and interesting topics focusing significantly on language games and activities. The instructor chooses a topic together with the class and they spend 2 weeks having fun, creative lessons based on that topic - Kids learn all the associated information, specific phrases, vocabulary and functional language required through exciting and stimulating language lessons. The main purpose is to give our Berlitz kids the ability to learn as much as they can on a specific topic and be able to express this knowledge in the target language with fluency and confidence.

At the end of the course all the groups get together for a presentation, to show what they have learned to their families and friends. Presentations can come in many forms: skits, role-plays, poems, crafts, posters, stories...
